**Re: Medina v. City of New York, et al., 19-cv-09412-AJN**

Your Honor:

Plaintiff Tomas Medina submits this letter to request an extension of time to file and for leave to consolidate three memoranda of law into one with a limit of 50 pages. The current due date for these memoranda of law is March 31. This is Plaintiff's second request for an extension of time to file these memoranda. Counsel for both sets of defendants (those represented by Corporation Counsel of the City of New York and Defendant Nunez) consent to these requests.

The disruptions caused by the COVID-19 pandemic, particularly the Legal Aid Society's emergency efforts to have clients released from jails and prisons, have taken time away from finalizing the memoranda of law in opposition to the Corporation Counsel Defendants' partial motion to dismiss (ECF No. 59), Defendant Nunez's partial motion to dismiss (ECF No. 74), and the motion for Rule 11 sanctions (ECF No. 62). Therefore we request an extension of two weeks, which would make the new filing deadline April 14.

In addition, Plaintiff requests leave to consolidate the three above-mentioned memoranda of law into one, with a limit of 50 pages—rather than submitting three separate memoranda with a combined limit of 75 pages. Consolidation would permit us to respond only once to duplicative arguments made in the three motions.

SO  
ORDERED

Respectfully submitted,
